Review and Submit Absences

Absences are any time you take off from work. These can include but are not limited to:

- Vacation
- Sick Leave
- Educational Support Leave
- Jury Duty
- FMLA absences

Your leave will be paid via Kronos through December 15, 2018. Starting December 16, your leave will be paid via OneUSG Connect. **Ensure your leave balance is up to date by checking employee.uga.edu prior to December 15.**

If you have leave scheduled after December 16 in the legacy systems, you will need to re-enter that leave into the OneUSG Connect Employee Self-Service site.

To submit absences:

From **OneUSG Connect Employee Self-Service**, click **Time and Absence**. Click **Request Absence**.

Choose the absence type from the drop-down menu. Enter absence **Start Date** and **End Date**.

If you are taking leave for only part of the day, click the **Partial Days** row. Indicate which days are partial and enter the hours.

Enter any necessary comments. Click **Submit**.

Submitted absence requests are routed to your time and absence approver. This could be your manager, the person you report to or your supervisor. If you are unsure who is your absence approver, contact your supervisor.

Both you and your approver will receive an email notification when the absence is submitted and approved.

Your absence requests must be submitted and approved each pay period. You can request absences for future pay periods if you know you will be out.

Leave balances will be updated through January. Your leave balance should be accurate by January 4. If you have questions about your leave balance, please contact your unit's leave coordinator.

Submit Your Time

For instructions on submitting your time each pay period, please see the **Go-Live Guide for Time for Biweekly Staff** at onesource.uga.edu.

End of Pay Period Actions

Before the end of each pay period, you should ensure all your leave and absences for that pay period are record in **OneUSG Connect Employee Self-Service**.

From **OneUSG Connect Employee Self-Service**, click **Time and Absence**.

To verify all leave and absences for the month have been recorded, click **Absence Request History**.

If necessary, update the **From** and **Through** date ranges; click **Refresh**. Verify any absences you had are listed. If all absences are listed, **there are no additional actions you need to take**.

If an absence is missing, click the **back button** in the upper left corner of the application (not the browser) to return to the **Time page**.

Follow steps listed under **Review and Submit Absences**.
