

Direct Deposit Enrollment

Employees not currently enrolled in direct deposit must submit a direct deposit form to Payroll by Sept. 30, 2018. Employees who are not able to setup direct deposit must submit an exemption request.

Beginning Jan. 1, 2019, all employees will be paid by direct deposit for payroll and expense reimbursements. *

This is part of UGA's transition to OneUSG connect.

* *Federal Work Study students can voluntarily sign up for direct deposit but are not required to have it.

Forms are available at onesource.uga.edu/resources/directdeposit or contact your HR/payroll representative.
