Agenda

- What is OneSource?
- Who will see changes?
- What is the timeline?
- How will I be affected?
- Who do I contact?
- What can I do to get ready?

What is OneSource?

- Multi-year business transformation project.
- Replace many legacy administrative systems and associated business processes.
- Next Generation Finance and Human Resource administrative systems and processes: Oracle PeopleSoft 9.2

Who will see changes?

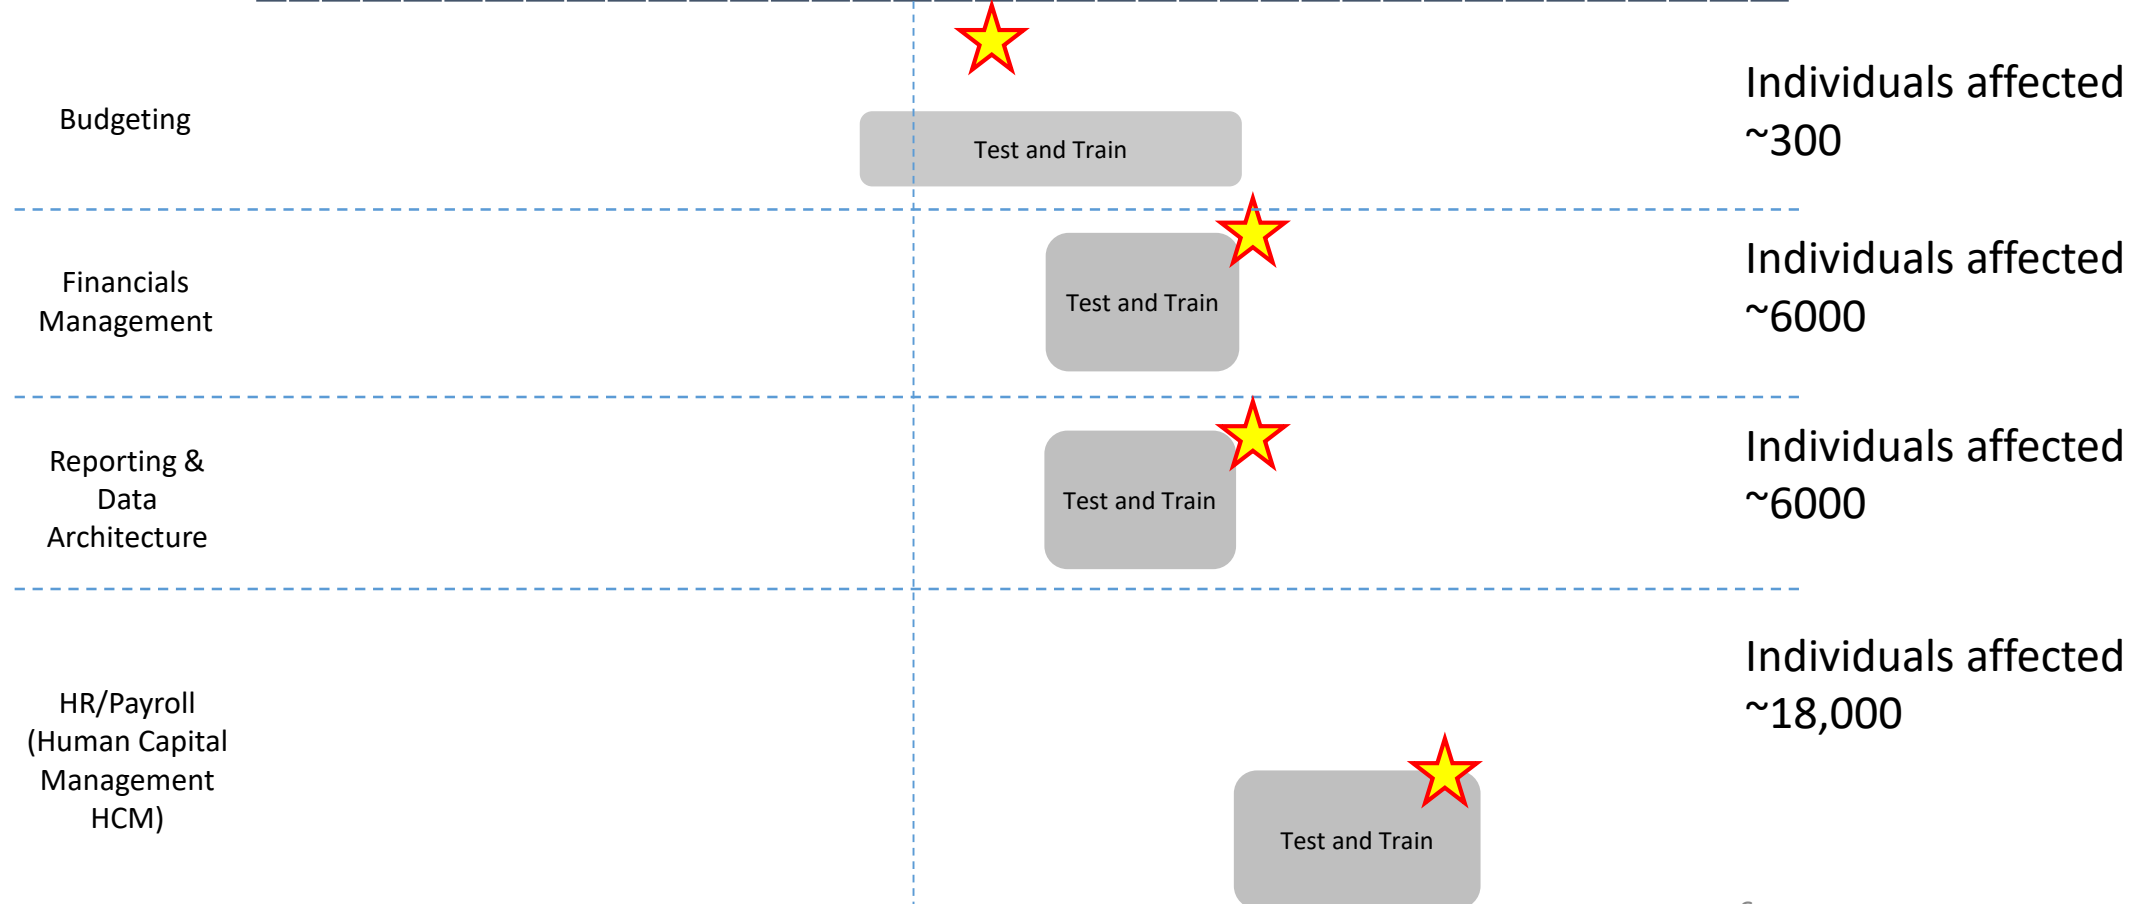

- **All faculty and staff**
through Payroll and Human Resources processes and self-service features
- **All offices**
through Financial & HR reporting, processes, and systems

UGA's OneSource Roadmap

As of 11/1/2017

★ Go Live

I travel for work.

How will I be affected?

**I am a supervisor.
My faculty and staff travel for work.**

How will I be affected?

I need to submit leave.

How will I be affected?

**I am a supervisor and
need to approve leave.**

How will I be affected?
