Key Communication Points

- For the most part, this year’s enrollment is business as usual. See this year’s letter from Campaign for Charities for information regarding deadlines. Reminder that all deductions will be applied to the 2019 year.
- Deductions will change with OneUSG Connect. Instead of the deductions only being taken from the second biweekly check of each month, it will come from both the first and second biweekly checks of each month. There will be no changes for monthly checks.
