

OneSource Testing & Training facility Information:

The One Source Testing and Training Facility is located at 2130 River Road. This is the Old Printing Services Building, next to the Performing Arts Center (PAC) Parking Deck.

The Testing will occur on the top floor of the building. There is a small break room with a refrigerator and a Dining hall is nearby.

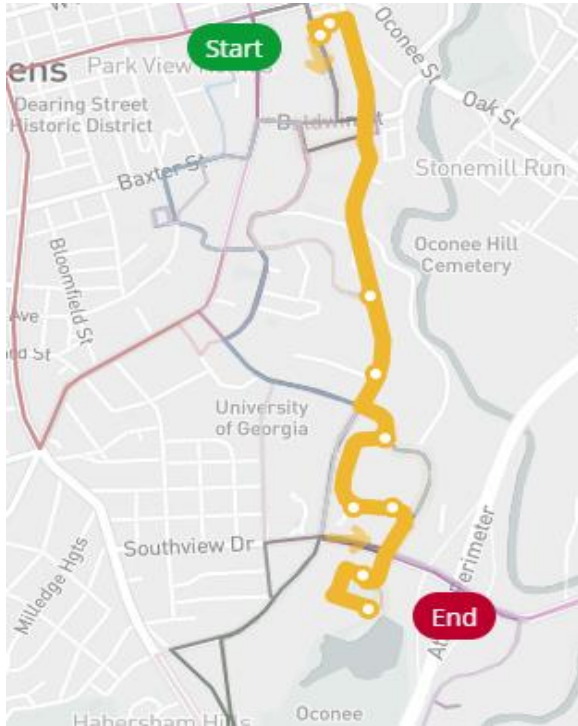

There is limited parking spaces available with a DP pass for the surface lot E11 in front of building. The preference is to use E04 East Campus Deck and walk up the stairs by the Performing Arts Center. There may be some space in E07 and S08 – surface lots. Recently, the PAC deck has added a scanner, those with a departmental pass may use this deck as well.

A better choice may be to access via a bus. There are 2 Bus routes that leave from North Campus. The **Orbit** route picks up outside of the main library. The **East Campus Express** picks up by HR. There is a bus stop at Tucker Hall where there is a bridge that crosses beside the PAC parking deck. This will be the best choice for North Campus users.

Parking Deck/lots E11, E07, E04, S08 and E20 (no scanner).

East Campus Express – Pick up at HR

Orbit Route – Pick up at Main Library
